Weddings and events at the Llyn Gwynant barns

The Llyn Gwynant barns are an outstanding venue for celebrations of all kinds and the function barn is licensed for weddings and civil ceremonies. These imposing stone buildings are set in a very beautiful natural location overlooking Llyn Gwynant lake with private fields surrounding them. Events can be fully or partly self-catered using the camping barn kitchen and also guests can optionally camp in the private barn fields, making this a cost-effective as well as beautiful venue.

Facilities:

- **The camping and bunk barn:** has a kitchen at one end with 2 gas stove-tops, electric oven, large refrigerator/freezer, microwave, toasters, sink with hot water, and a commercial dishwasher (available for hire). Furniture includes wooden tables, benches and seating around a wood-burning stove. An interior door leads to the **bunk barn** with alpine style sleeping platforms for 20 – 30 people as well as floor space and shelves for storage.
- **The function barn** with high roof and tall oak windows has a stage at one end. There are electric lights and power points including a 30 amp one on the stage suited to sound systems. A PA system and professional stage lighting is for hire, see our separate sound and light information sheet. There is also a stone fireplace in the room which has a large woodburner. This is a truly beautiful space, which our photos can only partly express. It is approximately 12 m by 12 m and can accommodate up to 300 people, or 125 seated at tables (a floor plan is on the web).
- **The barn yard** outside these buildings has room for parking about 25 cars. There is also a porta-cabin toilet block with 2 gents, 2 urinals and one ladies.
- **There are two camping fields** outside the yard, Barn field and Cae hendre, neither visible from the campsite. Barn hire includes the private use of these fields for tent camping or small campervans, with parking in barn field allowed by arrangement if the ground is sufficiently dry. Parking can be available below Cae hendre by arrangement.
